

## USER AGREEMENT

**ABOUT:** Electrica provides resources and tools that allow users to understand how various factors influence priorities to ultimately support the strongest possible pathways for transportation electrification and clean mobility at the U.S. national, regional, and state levels. Electrica was shaped by a diverse group of transportation electrification colleagues representing environmental, equity, labor, utility, communications, consumer, health and philanthropic organizations. Informed by the community for the community, Electrica provides easy access to data, existing scenarios, and customized scenarios to explore opportunities to advance transportation electrification.

**GOVERNANCE:** Electrica is stewarded by [Hovland Consulting](#), with guidance from an Advisory Committee and financial support from multiple climate-focused foundations. The Advisory Committee, comprised of representatives from philanthropy and the NGO community, informs user access and supports Hovland Consulting in ensuring Electrica remains relevant and continues to equip NGO and philanthropic partners with the right information for assessing opportunities.

### USER AGREEMENT

1. **LICENSING:** The use of Electrica is governed by the following.
  - a. **Attribution:** You must give appropriate credit. **Credit [ElectricaTool.org](#), Version, and the date you ran the scenario** when sharing or referencing the data or results. E.g., [ElectricaTool.org](#) Version 1.0, pulled 9/20/2021.
  - b. **Sharing:** You may distribute the outputs (e.g., charts and maps), including in public forums.
  - c. **NonCommercial:** You may not use Electrica or its outputs for commercial purposes.
  - d. **Software Limitations:** The Electrica online tool itself (aside from the output sharing clarified above) may not be copied, modified, or used for any purpose without permission.
  - e. **Liability:** Electrica, its steward, its Advisory Committee, and funders are not liable for any use and/or individual interpretation of the tool and its outputs. All results from and uses of Electrica outputs will be performed entirely at user's risk and the user assumes all responsibility.
2. **ACCESS:** Access to and use of Electrica is by invite only, informed by discussions with the Advisory Committee. With the license, you cannot assign this agreement or transfer, sell, lease, distribute, or market the Electrica license contained herein to anyone. Users may recommend individuals to the tool Steward. *In leveraging these data sets and scenarios, users agree to:*
  - a. Give appropriate credit (see 1a).
  - b. **Keep unique personal login credentials secure** and not share with others. Take appropriate precautions to prevent unauthorized access to Electrica.
3. **AGREEMENT TO ABIDE BY THE USER AGREEMENT:** Use of Electrica constitutes an agreement to abide by this user agreement.
